General Studies Public Service Option

The Community & Technical College
at
West Virginia Institute of Technology

PROGRAM GUIDE
Associates Degree

PROGRAM GUIDE
Bachelors Degree

One of the major career opportunities in West Virginia is with federal, state and local government agencies. The wide range of career opportunities within government are endless, but in order to qualify for many of these positions, you need the right skills.

With the General Studies Public Service Option Associate degree you not only get a great degree, but you can transfer ALL of your courses into a Bachelors of Science in Public Administration program offered at WVU Tech.
